

THE MENACE, MYTH & MAYHEM — OF — AUTONOMY

The Menace, Myth, & Mayhem of Autonomy

Autonomy looks appealing on the surface. After all, having the freedom to do what you want to do is viewed as living successfully. But you were made for something better than that.

Discussion Questions

1. What do you hope people will say when they tell your life story?
2. How is seeking to live autonomously or isolated affecting you now and the story you desire to share later?
3. Read **2 Samuel 11:1–4**. What stands out to you in these verses?
4. How many people know you completely? How difficult is it to let people know the real you?
5. Knowing your weaknesses, what might authentic community save you from?

Bottom Line:

You weren't created for autonomy. You were created for community.
